

COMPANY'S QUALITY POLICY

REIMPAR GEOINSTALACIONES, S.L. is a company dedicated to the waterproofing field and the manufacturing of flexible pillow tanks. We take great pride on offering our clients a personalized, complete and quality service.

The trust our clients place on us in **REIMPAR GEOINSTALACIONES, S.L.** has made us set for ourselves some clear quality objectives. In order to achieve those aims **REIMPAR GEOINSTALACIONES, S.L.** has adopted this quality policy that represents our engagement:

- ✓ Our clients are our main priority; we work day in and day out to achieve their satisfaction.
- ✓ Introduce, develop, implement and safeguard the continuous improvement and efficiency of our Quality Management System in order to achieve the recognition from our clients and hence having the guarantee of our improvement.
- ✓ We compromise ourselves to comply not only with our client's specific requirements, but with those that are legal or according to regulations that can be applied to our activities or products, as well as those that are established by the company itself.
- ✓ Equally, in the matter of quality, we highlight on the internal efforts to increase the controls and inspections made in our works and raw materials, that is why we strive towards the training of all our team members.

Our Quality Company Policy is continually evolving, therefore it will be reviewed and adapted and it will be all the time on the framework of all objectives defined by the Organization.
